PAINTING THE MOMENT

Capture your moment

Artist Jessica Gunn drew Valentino and Dior on the catwalks of Paris during the 90s. She now brings this experience closer to home - creating beautiful, bespoke wedding dress paintings.

The painting session

Light brush strokes, delicate line work and elegant form all portray the unique story of you and your wedding dress.

Throughout your half-day commission, the immediacy of painting in real-time inspires original and vibrant works of art.

“I am humbled by the devotion
a couple bring to their marriage.
Each bride has an energy that
relates to her special experience.
My heart guides my hand.”
